

Step 1: Open Search Engine

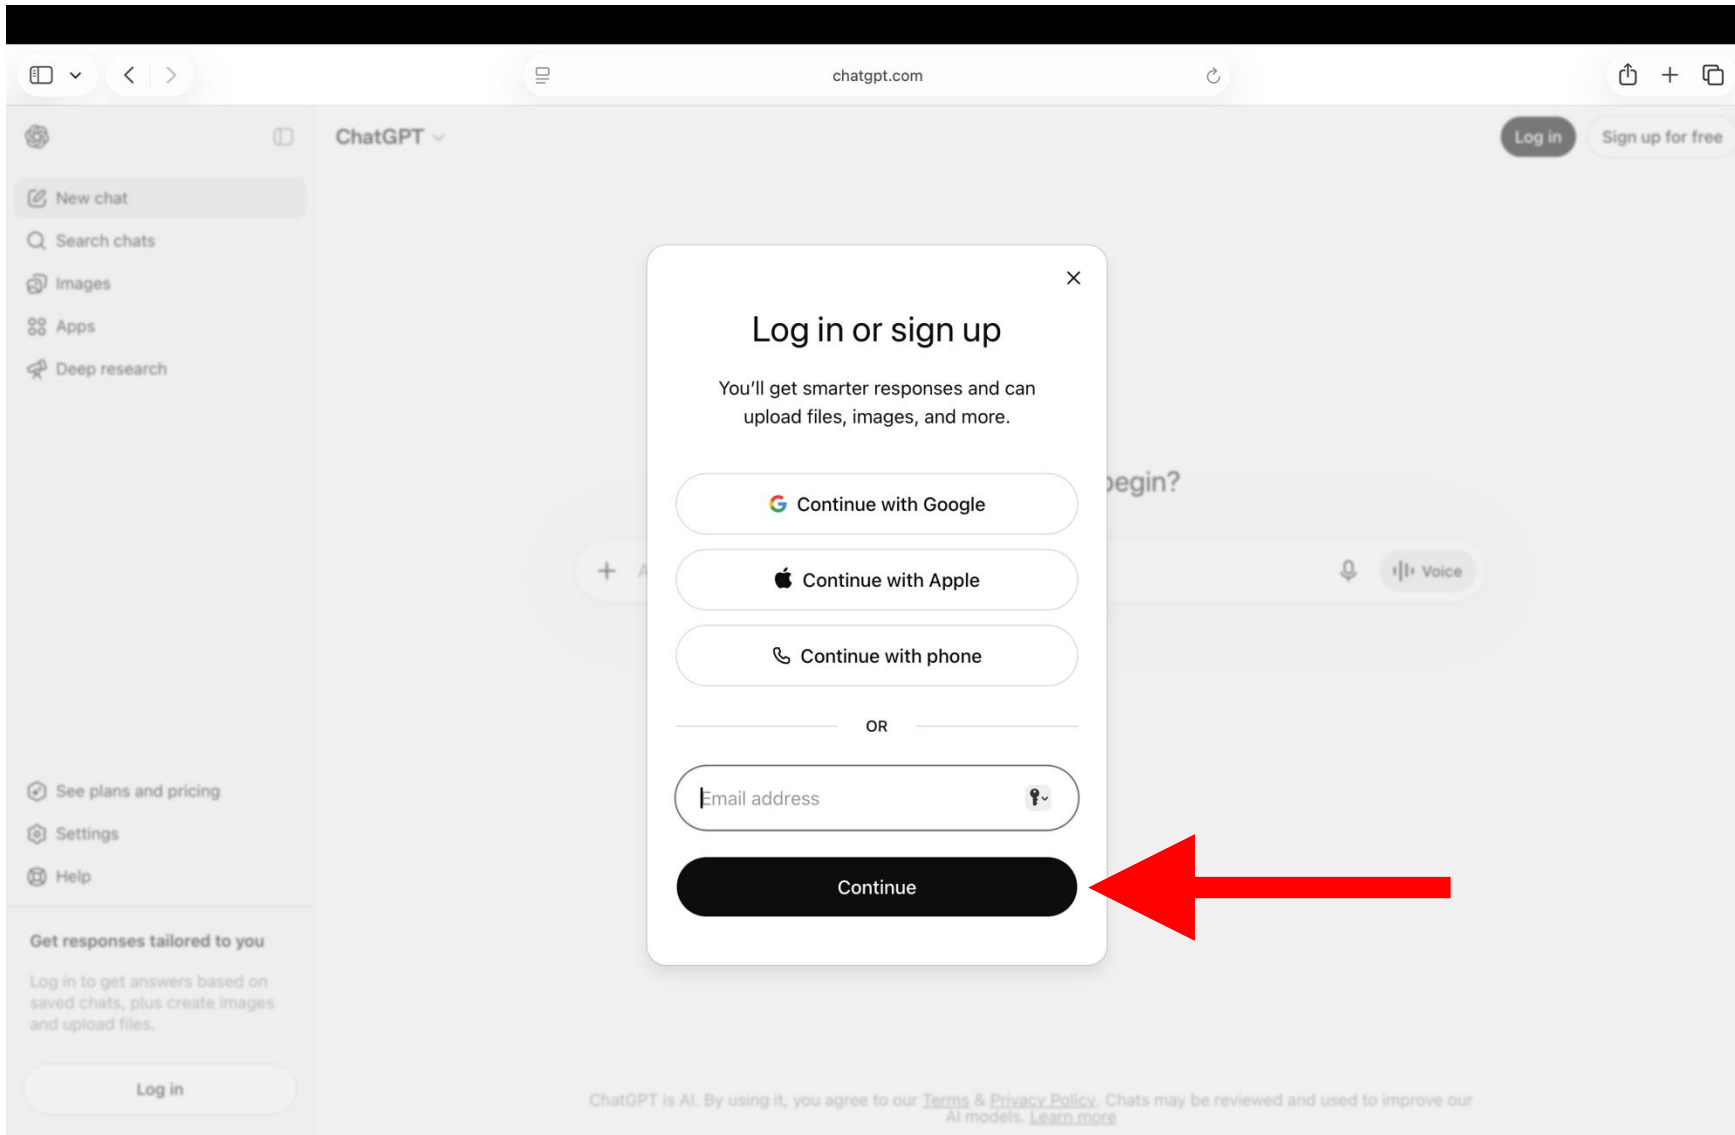

Step 2: Search “chatgpt.com”

Step 3: Click "Log in"

Step 4: Login using Google, Apple, Phone or enter your email address and click “Continue” to log in.

The screenshot shows the ChatGPT login modal on a web browser. The modal is titled "Log in or sign up" and includes the text "You'll get smarter responses and can upload files, images, and more." Below this, there are three buttons: "Continue with Google", "Continue with Apple", and "Continue with phone". A horizontal line with "OR" in the center separates these from the email login section. The email section has a text input field labeled "Email address" and a "Continue" button. A large red arrow points to the "Continue" button. The background shows the ChatGPT interface with a sidebar on the left containing options like "New chat", "Search chats", "Images", "Apps", and "Deep research". At the top right of the interface are "Log in" and "Sign up for free" buttons. At the bottom of the modal, there is a footer with the text "ChatGPT is AI. By using it, you agree to our [Terms & Privacy Policy](#). Chats may be reviewed and used to improve our AI models. [Learn more](#)".
